

COVID19

As we are living in uncertain times, we at The Sycamore Tree have some safety rules in place, we would appreciate it if you could adhere to use them.

STAY SAFE AND STAY WELL

- ◇ When leaving your room, please wear a mask or face covering until you are in the Café.
The landing, stairs and hallway are not 2 meters wide so distancing cannot be followed.
- ◇ Hand Sanitizer is placed throughout the building, please can you use accordingly, they are in your Bedroom, Bottom of the stairs, in the Café and the toilet downstairs.
- ◇ We have a Non-touch thermometer, if at any time you would like to check your temperature please ask a member of staff for assistance.
- ◇ Your room will be serviced every day of you stay. We have asked the Housekeeper NOT to touch any of your belongings in your room or bathroom, to help the housekeeper to clean all areas we have provided baskets in your room and bathroom for you to place items in.
i.e. toiletries, Meds or other small items this way she will lift the basket when cleaning and not your belongings.

Thank you for your understanding and please enjoy your stay
